

Dear Manor Resident,

We are excited to inform you that County Hauling, operating as a division of the Westmoreland Sanitary Landfill, was awarded the contract to be the Trash Hauler for the Borough of Manor, starting April 1st, 2021. We look forward to providing Manor with a safe and efficient collection program! Our contract is similar to the one that the Borough had with your previous hauler, and your collection day will not be changing for trash collection.

Your Trash collection day will be Wednesday
See attached for a complete schedule of collection days and holidays.

The following guidelines apply to all residential Trash collection in the Borough:

- Trash must be out the night before your collection day, or prior to 6 AM on the day of collection
- Please bag all trash. Loose trash is not only more difficult to collect, it is also a health hazard and the cause of undue amounts of litter
- There will be five leaf & yard waste collection events per year. The schedule for the first contract year is attached.
- There is on call collection for E-Waste (Televisions, computers, monitors etc.) that can be scheduled through our website. Click on the 'E-Waste and HHW' tab on our website www.countyhauling.com and then click the box titled Manor Borough to schedule collection.
- Collection of one bulk item per month is included in the contract, if you have more than that, please call Customer Service
- If you are a senior and would like to receive the senior discount, please call Customer Service to sign for the discount or the sticker program.

Please call or email us with any questions, and we look forward to serving your community!

Sincerely,

County Hauling Management
