

SEWER RATES 2023

	<b>District A</b>	<b>District B</b>
<b>Treatment Cost</b>	\$95.55	\$95.55
<b>Operation &amp; Maintenance</b>	\$14.64	\$14.64
<b>Debt Service</b>	\$16.68	\$16.68
<b>Service Charge</b>	\$0.00	\$21.13
<b>Total</b>	\$126.87	\$148.00

Properties with a private water source and no metering shall be billed based on 50,000 gallons per year 12,500 per quarter. Above totals are base rates based on usage of 3,000 gallons or less per quarter. Usage above 3,000 gallons per quarter will be billed at \$4.88 per thousand gallons.

Commercial customers would pay the fixed cost per EDU or part thereof and the per gallon charge after a 3,000 gallon credit per EDU for consumption. i.e. 12,500 gallons used = 1 EDU minus 3,000 gallons = 9,500 gallons. Customer would pay the per thousand gallon charge times 9.5 for consumption for each EDU or partial EDU billed.
